OVERVIEW:

TrillaMed, LLC is an industry-leading Service-Disabled Veteran-Owned Small Business (SDVOSB) that specializes in supplying high-quality medical material to the Department of Defense, the Department of Veterans Affairs, Indian Health Services, and other Government agencies. As an authorized distributor for more than 30 established, respected, and industry-leading OEMs, TrillaMed assists federal government agencies in obtaining needed health care products and services on a best-value basis.

Our firm is able to source products and services from several different OEM partners after careful consideration of the needed salient characteristics, required delivery date, price point, and other factors. TrillaMed adds significant value to procurement actions through its demonstrated program management, sales support, logistics, contract administration, and distribution expertise.

VALUE-ADDED APPROACH:

TrillaMed is committed to improving clinical outcomes for our nation's Veterans and military service personnel through world-class products, technology, and solutions – delivered by a laser-focused team, providing:

- ◆ Dedicated federal clinical sales staff with coverage of all DoD, VA, Indian Health Service, and other federal government healthcare facilities
- ◆ In-house federal government contracting team that is extensively experienced in the development, management, and implementation of FSS, VA/DLA HTME, DAPA, MSPV, E-cat, and prime vendor contract vehicles
- ◆ Experienced compliance review functions
- ◆ Capable proposal and quotes team that is widely experienced in the development of responses to federal RFPs/RFQs/RFIs supporting missions of high-complexity (i.e., ID/IQs, best-value initiatives, national/enterprise-wide standardizations, requirement-type contracts, etc.)
- ◆ Experienced customer care team that supports real-time order taking, quoting, pricing, delivery/logistics inquiries, and customer troubleshooting support
- ◆ Committed project management team that ensures seamless implementation and post-award support for every initiative, regardless of size
- ◆ National accounts team that provides strategic and focused support to manufacturers, ensuring enhanced responsiveness, optimal positioning, and best practices
- ◆ Marketing/branding support, go-to-market initiatives for existing and new technologies and solutions, and presence at healthcare engagements
- ◆ Finance/accounting team ensures timely invoicing in accordance with contract requirements, sales tracings, and auditing confirming adherence and compliance to DCAA standards
